HAPPY WARRIOR AGAINST HUNGER – Pam Dunmeyer beams as Town Council Vice President Jan Barton and members of Barnstable United honor her May 24 with a **PeaceBuilders** Award. Dunmeyer, a Barnstable resident, is working neighborhood by neighborhood to combat hunger in town. She leaves notices at homes of a collection date and time, then comes back with husband Don and their friends to round up the food for donation to local pantries. “It’s really easy,” Dunmeyer told the group. “it’s amazing how easy it is to do and how much food you get. People want to help. They just don’t know how.” If you want to help, call Dunmeyer at 508-776-3663. “I’ll help you,” she said. “We’ll do it together. We’ll feed Cape Cod.”
