

Everything Long Beach

Fundraising For Kindness, Grow Presents “BKindLB”

2012-03-21 · By Editor

<http://www.everythinglongbeach.com/grow-presents-bkindlb/>

For our first of many events, Grow would like to invite you to enjoy an evening of “Kindness”—A [fundraiser](#) for BKindLB, a project of [Leadership Long Beach](#). BKindLB wants to make some good news for a change—and they want to throw a big party to do it! “Kindness” will illuminate new ways we can “BKind” to each other, to ourselves, and to this great city which we all take so much pride in. We’ll also be showcasing many community support organizations that are already making our city a better place. Long Beach community organizations that are expected to attend include Visiting Angels, Autism in Long Beach, and Long Beach Cinematheque! Performers scheduled to appear include The Gromble, Hailey’s Comet, Jenny Stockdale, and the premiere of [Peace Builders](#) new music video! Feel free bring your lawn chairs and blankets!

Major sponsors of “Kindness” include Millworks, [Peace Builders](#), and Leadership Long Beach.

“Kindness” will be held on March 31st, from 5-9PM. Tickets for “Kindness” are \$5 and will be sold at the door. All proceeds go to BKindLB. Please make all checks out to Leadership Long Beach.

Final event details are forthcoming and will be released closer to the event. See you there!

About Grow:

Grow is a creative movement that is aiming to pool the creative resources of our community to help identify, and then meet the needs of Long Beach—one need at a time. The Grow team believes that cities are like people, comprised of both tangible and intangible qualities, when a city’s needs are met, it will thrive. Founder Caitlin Cutt says, “With Grow, we want help turn creativity into change. A benefit concert is one great way of doing that, and that’s where we’re starting, and we’re really excited to explore other avenues of combining local Art and philanthropy within this city.” For more information on Grow, please contact Caitlin Cutt at (714) 369 7924, or at <http://www.growlb.com/>.

About Leadership Long Beach:

Leadership Long Beach was founded in 1989 by some of our community’s most influential and visionary stakeholders. These founders envisioned the formation of a civic improvement program that would serve the community by developing and motivating leaders on issues important to the future and sustainability of our city. The leaders developed by the Leadership Long Beach program have shared experiences, associations and values that enable them to set imaginative, yet realistic goals, and achieve them through coordinated and effective strategies. Leadership Long Beach has three principled leadership programs – Leadership Long Beach Institute, Youth Leadership Long Beach and Executive Quick Start – and also offers continual leadership and networking opportunities throughout the year. For more information on Leadership Long Beach, visit www.leadershiplb.org.

About [Peace Builders](#):

PeaceBuilders is a science based, research validated inclusive school-climate program that creates peaceful learning environments. Founded in 1992 the program has been implemented in thousands of schools. The Peace Builders goal is simple, yet momentous—to ensure all schools will become peaceful learning environments where everyone learns, acquires and practices the skills to ensure positive and respectful behaviors in order for all students to achieve academic, as well as personal and interpersonal success. For more information on Peace Builders and Peace Partners, please visit www.peacebuilders.com.
