Long Beach. California State University, Long Beach and PeacePartners, Inc. are offering a course in Peaceful Behavior Management and Nov. 5 to 9 at the University.

The course is open to the public and includes strategies and activities that teach parents and youth providers how to work with young people to develop important skills enabling them to interact peacefully with each other and with adults.

For information, contact Monica Andrews at mandrews@peacebuilders.com or call 562-304-3034.
